How were your results!??
There's nothing wrong with Angie's body
.....
If only I was a bit shorter...
162 cm
Eh!!? It's better to be taller though
That's a bit too much
It's a good thing
There would be no need to use step ladders anymore!
Then you won't be able to get through doors!
That's quite a rare aspiration!
I yearn for the time I get so tall that I'll hit my head~
I'm jealous since I'm short
